La Plagne

A comprehensive renovation of La Plagne, including heating systems, floors walls and all other aspects of interior and exterior design, has just been completed. The 170 sq meter of interior space (including 3 bedrooms) is both stylish and practical, with a large entrance area, wide corridor space and a very spacious living room area. The building is concrete up to and including the 2nd floor living room, giving the house a solid feel throughout, and durability against the winter climate. Seicomart is just a 4 minute walk from the doorstep. From a rental perspective, La Plagne is an independent freehold house and therefore is not tied up in any body corporate structure that could damage its yielding potential.
