Powder Tracks 8

Supremely located in Upper Hirafu Village with ski lifts, restaurants, bars, and retail shops nearby, the Powder Tracks complex is at the heart of Hirafu's action. Sturdily-built of reinforced concrete, the building is self-insulated and sound-proofed.

Powder Tracks 8 is a fully-furnished, well-designed loft-style apartment with three bedrooms, two bathrooms and a larger-than-average owners' storage. The unit has excellent views of the ski mountain, so wake up and check the day's snow conditions from your living room windows and later enjoy the lights of night skiing. PT8 has western conveniences and a funky designer atmosphere. The property has a strong record of rental returns and has proved popular for owner-use. Competitively-priced, this property WILL sell this winter.
