Ginto Residences - Katsura Villa

With Katsura Villa's high-ceilings, the Ginto woodlands and the magnificence of Mt. Yotei takes centre stage in the house, allowing the guests to fully immerse in the beauty surrounding them, while in the comforts of home. The 5 bedroom 6 bathroom villa can sleep up to 10-14 persons, comfortably depending on the sleeping arrangements for each bedroom. The master bedroom and onsen on the second floor allow the owners to both wake up to, and enjoy a hot soak to an amazing view of Mount Yotei. The living room and dining table means one can easily do a BBQ during summer, by opening up the doors. 2 ensuite bedrooms on the first floors also allow elderly guests easy access around the house without being inconvenienced. As part of the Ginto Residences, guests of Keyaki also get to enjoy the perks of having club membership at the Pavilion Hotel (this will include use of facilities like spa, onsen and hotel services. Pavilion Hotel is expected to open in 2019). The Ginto Village, a collection of carefully selected F&B outlets and shops is also expected to be opened in 2020. The property will be ready in 2019 January
