Ginto Residences - Hinoki Villa

Hinoki Villa is situated conveniently opposite Izumikyo 2 in the Ginto Residence, by The Pavilions. With 280sqm of space, spanning over 2 floors, 3 bedrooms and 4 bathrooms, it is a villa suitable for 6-10 people, and designed to incorporate Japanese oak fusuma and shoji room dividers for a distinct feel of Japanese architecture. The master bedroom and the living/dining space share a deck to bring in a sense of nature into these spaces. The bedrooms upstairs have bathrooms that will enjoy the views at the back of the house as well. As part of the Ginto Residences, guests of Keyaki also get to enjoy the perks of having club membership at the Pavilion Hotel (this will include use of facilities like spa, onsen and hotel services. Pavilion Hotel is expected to open in 2019). The Ginto Village, a collection of carefully selected F&B outlets and shops is also expected to be opened in 2020. The property will be ready in 2019 January (estimated).
