Kagra 8300 Tsubo Land

An outstanding commercial development site with breathtaking Mt. Yotei views.

The site is a stone throw away from the newly opened Japanese restaurant "Kagra" and "Seven Eleven", making it highly convenient for any staying guests, and directly to the east is a beautiful forest park "Tojoen".

This 27,435 sqm (8,300 tsubo) block is situated just outside of Niseko Town on the way to the ski slopes of Annupuri, Moiwa, and Niseko Village. Although the land is in close vicinity to the slopes, it is outside the Quasi-City Planning Area meaning that there are less restrictions involved in development.

The land is priced very competitively at 30,000 yen/tsubo, and has excellent potential for capital growth. Don't pass on the opportunity, and contact Niseko Property today!
