### Sei Sei

This stand alone home on 70 tsubos was recently renovated as a 4 bedroom dual key property perfectly set up for everything a holiday has to offer. An excellent location next to Hirafu's best Onsen, with a 2 minute shuttle ride or a short walk to the lifts. The original 3 bedroom build has seen constant updates and renovation, and remains in excellent shape. The 1 bedroom unit next door, with its own entrance, kitchen and living space, still has that brand new feel.

The main house boasts an open and spacious kitchen and living area, with quality cabinetry and appliances for those who like to cook--and for those who don't, you'll find several izakayas and restaurants right around the corner.
